Who we are and what we do

Bromsberrow Parish Council, as a local council, is a local government body established by statute. Councillors are elected by residents of the Parish (i.e. the civil Parish, total population approximately 407) and serve a term of 4 years.

It provides facilities and services to the public, including street furniture such as public seats, noticeboards and bus shelters. It undertakes some grass cutting of highways splays and verges on an agency basis for the County Council and maintains the War Memorial.

Its other responsibilities include responding to consultations (including planning), and seeking to improve highway safety. The Council has a legal duty to take into account the effect on crime and disorder of its decisions and to have regard to biodiversity as part of its policy or decision making.
